SENDSational Summer Sessions 2025

My Child Has A Speech Delay CIC

This short impact report highlights the positive outcomes of our recent SEND family sessions. The sessions were designed to support children with speech delays and additional needs, offering a safe, inclusive and joyful environment for play, learning and connection.

About My Child Has A Speech Delay CIC

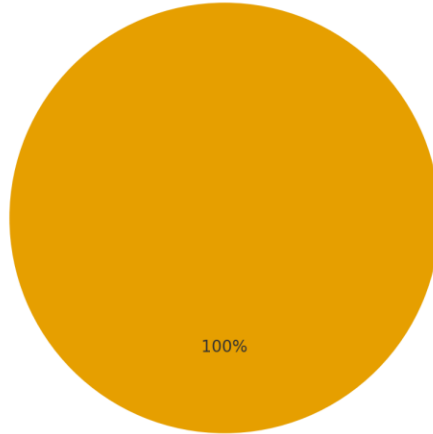

My Child Has A Speech Delay CIC is a community interest company based in Croydon. We provide inclusive stay-and-play sessions, creative workshops and community events for children with speech delays and SEND. Our mission is to create spaces where families feel understood, supported and empowered.

Event Overview

Across our recent sessions, parents and carers were invited to share their experiences through pre- and post-event questionnaires. A total of 37 families took part, helping us understand how our sessions impact wellbeing, inclusion and community connection.
